In Pakistan 22.8 million children are unable to continue their education due to insufficient funds or family pressure.

We are proud to share that today, more than 20,000 deserving children are reading, learning and dreaming in Baithak since 1996.

BUILDING FUTURES

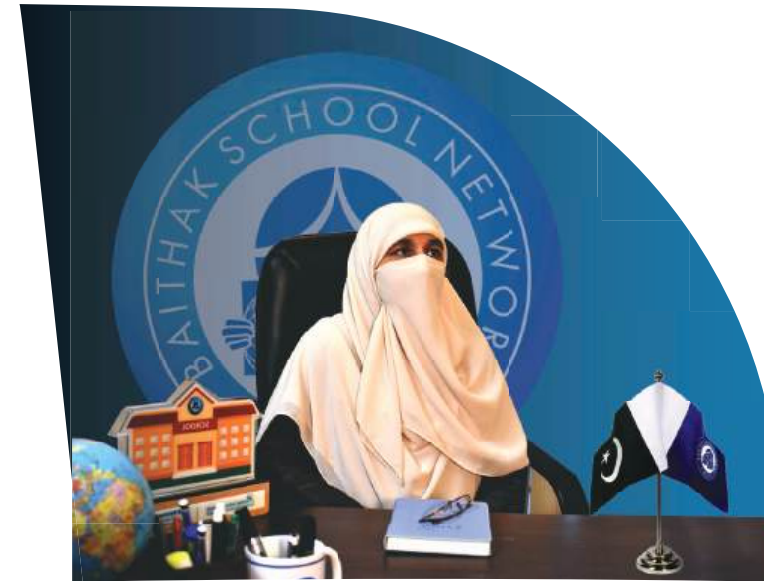

Mission

To Promote Education and To Induct Islamic Values for The Betterment of Individuals and To Flourish a Healthy Society.

Baithak's History

Baithak School Network is a transformative education initiative that began in 1996 with the aim of providing education to underprivileged children in Pakistan who would otherwise be left without access to learning. What started as a project initiated by a group of dedicated female volunteers, utilizing their humble drawing rooms (Baithak), has now grown to serve 140+ communities. Through this incredible effort, Baithak has reached 19,500 children, empowering them to pursue their dreams and unlock their full potential. With the power of education, Baithak continues to change lives and create a world where every child has the chance to thrive, regardless of their circumstances.

Zainab
Asif

FROM PRESIDENT'S PEN

Dear Friends and Supporters,

In a world where dreams fade, Baithak School Network shines as a beacon of hope. With your unwavering support, we're creating a literate Pakistan.

Last year was a testament to the power of our collective efforts. We pushed boundaries, upgrading our schools with an unwavering commitment to excellence.

Through the magic of digitalization, we revolutionized our educational system, unleashing a world of possibilities for students with igniting their curiosity and imagination.

This year, we are taking our mission to new heights – to build cluster-based systems that will uplift not just individual lives, but entire communities. We understand the importance of continuity in education, that is why we are stepping up with secondary schools in every cluster. This ensures that children can continue their education seamlessly, without any disruptions.

Our commitment goes beyond education. We aim to equip our students with the essential skills they need to carve their own destiny. With each child we empower, we unlock the potential to uplift entire families, breaking the chains of poverty and paving the way for a thriving community.

The children, once trapped in the clutches of deprivation, will now be armed with knowledge and skills, creating a ripple effect of transformation and empowerment.

Join us ! Together, let's build a future where every child can soar and dreams become reality.

With gratitude,

Zainab Asif
President, Baithak School Network

Executive Members

Our team at Society for Educational Welfare is the backbone of our success. United by a shared vision and fueled by passion, each member brings their unique skills and unwavering dedication to bring education to underprivileged communities. Together, we strive to create a brighter future for those in need, empowering them through the transformative power of education.

OUR PROGRAMS | Way of Achieving Excellence

Formal & Informal Education

19,000+ students thrive in formal education, while informal learning ensures educational continuity for children during challenging times.

Training & Capacity Building Programs

Over 11 dynamic training Programs offered to our teachers & principals nationwide. From subject mastery to leadership, IT skills, and moral values, our comprehensive program builds capacity for success.

Friends With Books Program

We believe every school should have colorful and welcoming spaces where children can freely explore and learn. To nurture a love for reading among students, we have successfully established libraries in over 130+ schools. These libraries not only provide access to literature but also have an "ilm o adab" society that offers guidance on writing and the benefits of reading for improving writing skill.

Vocational Training

10 Industrial homes has transformed over 5000 women across Pakistan. With needle and thread, we unlock their potential in cutting, stitching and embroidery. By equipping them with these skills, we are enabling these women to earn a sustainable income for their households.

Health & Hygiene

Prioritizing the well being of our children, over 1500 students in Karachi and Islamabad received health screenings and awareness sessions about Diabetes, Diarrhea, Cholera, and Asthma. Among them, 200 students underwent vision tests also.

Cutting

Stitching

Embroidery

Collaborated Community Development Program (CCDP)

SZABIST and NUST joined forces with Baithak Schools, exchanging skills from formal classrooms to engaging informal activities. This program fosters equity in society and promotes reciprocal learning for all.

Community Awareness Program (CAP)

To cultivate a healthier, cleaner, and more educated community, we are committed to regularly counseling mothers within our community on important topics including health & hygiene, moral values & the significance of education. In the year 2023, we organized over 1000 programs, reaching out to 7000 mothers across 100+ communities

- * VOCATIONAL & IT TRAINING CENTRE
- * FEHEM-E-DEEN COURSE
- * AWARENESS FOR MOTHERS

In Memory of Ms. Afsar Sultana & Mrs. Parveen Salman.

Two Remarkable Women, Two Profound Legacies.

Ms. Afsar Sultana, the visionary behind Baithak's 10 Industrial Homes, dedicated herself to empowering girls and women in underserved communities. Her tireless efforts forged paths to self-reliance, making countless women pillars of strength for their families.

Ms. Parveen Salman, a committed member of Baithak's core team, contributed immensely to the organization's success. Her unwavering dedication shaped the core of Baithak's journey.

Their impact reverberates in the empowered futures they cultivated. Their absence leaves a void, but their legacies of empowerment and dedication remain etched in Baithak's story.

May Allah grant them highest place in Jannatul Firdous and may their life story be a guiding light for all. Ameen.

Amber Abid

In the bustling slums of Karachi, Amber Abid, armed with a Master's degree in Islamic Studies and a teacher training course, embarked on a mission to make education accessible to the underprivileged. Since 2017, her journey has been closely tied to Baithak School, but her impact has extended beyond its walls.

Amber's passion lies in the alleys of Mustafaabad 7C, where dreams often remain unfulfilled. There, she tirelessly improved educational standards by training teachers, updating curricula, and enhancing school resources. Mustafaabad 7C School transformed into an oasis of learning.

Her vision didn't stop there. In the western slums of Karachi, Amber united schools, fostering collaboration among educators through training sessions and projects. Her efforts revitalized education across the entire cluster.

What distinguishes Amber is her unwavering dedication and empathy. Her mission is clear: to give every street child the gift of education. She carefully selected teachers and principals who shared her passion, ensuring the flame of knowledge burned brightly..

"Paving the Way for Dreams in Slum Schools"

Tasneeba Bashir

Tasneeba Bashir's inspiring success story showcases the profound impact of Baithak School's Vocational Center in empowering women from our community. Overcoming financial struggles, Tasneeba made the life-changing decision to enroll in the center, opening doors to new opportunities.

With unwavering determination, Tasneeba dedicated herself to acquiring valuable skills through vocational training. In just a few months, she honed her talents and emerged as a skilled artisan, equipped to support her family and make a difference in her community.

Today, Tasneeba runs her own boutique, where she not only showcases her craft but also serves as a beacon of hope for others facing similar challenges. Her journey exemplifies the transformative power of education and vocational training in breaking the cycle of poverty.

Struggle to Success through Vocational Training

Usman Kabir

Usman Kabir's journey epitomizes the transformative power of Baithak School in shaping success stories. Hailing from Golra, Islamabad, financial constraints initially hindered his dreams.

However, when Usman discovered Baithak School's affordable and high-quality education in his community, he seized the opportunity. His determination and academic excellence quickly set him apart.

Usman's journey led him to pursue Chartered Accountancy (CA) through ICAP, a path he embraced with relentless dedication. Today, he holds the position of Assistant Manager in a prestigious company, with aspirations for an international career.

Usman's gratitude to Baithak School remains unwavering. He recognizes that without it, his path to success would have been a distant dream. His story is a testament to the life-changing impact of education and Baithak School's role in nurturing ambition.

Baithak School: Empowering Dreams and Changing Destinies

Shahid Rasool

Shahid Rasool, a former student of Baithak School in Qaziabad, Rawalpindi, embodies the incredible power of education to transform lives. Despite humble beginnings in Rawalpindi, Shahid is now pursuing a BS degree in Technology.

Starting his educational journey at Baithak School in 2012, Shahid completed his primary education there. He went on to graduate from FC Public School and earned his Fsc degree from Quaid-e-Azam Degree College. Currently, he is on the path to graduation from Arid Agricultural University.

While achieving academic milestones, Shahid remains grateful to Baithak School for instilling in him a solid educational foundation and shaping his character and dreams.

Reflecting on his journey, Shahid humbly states, "I owe my primary education to Baithak School. It has played a vital role in my path to success. I am truly grateful because Baithak School is the reason where I am today."

An Inspiring Journey Towards Success

Empowering Families Through Education

"Baithak School: Illuminating Dreams & Empowering the Abdul Razzaq Family"

In the heart of Jaranwala, Pakistan, the Abdul Razzaq family faced immense financial hurdles that threatened their dreams. However, their journey took a remarkable turn when they discovered Baithak School, a beacon of hope nestled in their community.

With limited resources, Baithak School became the catalyst for transformation. Shagufta Abdul Razzaq, their daughter, pursued an extraordinary path in mathematics, attaining an M. Phil degree. Meanwhile, their sons, Ibtisam, Ihtisham, and Azhar Abbas, delved into the wonders of modern sciences.

Ibtisam's journey led him to the prestigious University of Madinah in Saudi Arabia on a scholarship, where he actively participates in daily prayers at Masjid Nabawi. His studies are supported by the Saudi government, enabling him to visit Pakistan for two-and-a-half months.

Shanza Abdul Razzaq continues to excel as a B.S. student, while their youngest daughter, Ajala Abdul Razzaq, aspires to become a Doctor and is diligently preparing for the medical entry test (MCAT).

Filled with gratitude, the Abdul Razzaq family attributes their success to Baithak School. It has shattered the limitations imposed by scarce resources, showcasing how education can transform not only individuals but entire families. Baithak School has illuminated their dreams and empowered them to rise above adversity, inspiring hope for countless others in their community.

Teacher's Day

Fueled by gratitude and admiration, Baithak Students planned a celebration on Teachers Day, casting a spotlight on the exceptional mentors at SZABIST University. With heartfelt gestures that ignite the soul, they paid tribute to these guiding stars who shape futures and inspire greatness in the hearts of young minds!

Doctor's Day

Young learners showed appreciation for Doctors with heartfelt visit. Little Helpers Australia and Baithak School Network brought joy to JPMC and NICH with handmade cards. Let's continue making a difference together!

Science Exhibition

Baithak School Network believes that science exhibitions help to explore the creative talent of the students and push them to use their knowledge and bring the best invention from their brains. Students enjoy learning through such exhibitions as they work together in a group, share their ideas and make models with their own hands. When they give presentations in exhibitions, they become more familiar with public speaking and this imparts self-confidence in them. This year too, Baithak School Network organised Scientific Exhibitions at national level in all schools where students displayed their experiments and creations.

Sehat o Safai Campaign

Baithak School Network conducts a holistic cleanliness drive to promote the importance of hygiene in daily life. As part of this initiative, they actively engage students in practical training sessions. A comprehensive approach is taken, encompassing both individual and communal cleanliness practices. Students eagerly participate in cleaning their school premises and surrounding areas, while receiving valuable education on hygiene and cleanliness from their teachers. This proactive effort significantly improves health and cleanliness standards, resulting in healthier and cleaner lives for all community members.

Trainings

As part of Baithak School Network's commitment to ongoing professional development, we conduct regular training programs for both teachers and our head office team. In the 2022-23 Session, we successfully organized approximately 11 training sessions for teachers across Pakistan. These sessions covered a wide range of topics including subject specific training, leadership development, IT skills, & moral values reinforcement.

In 2023, teachers across Pakistan were provided with Software Training Sessions in several cities such as Gwadar, Islamabad, Peshawar, Karachi, Hyderabad and Lahore.

Master Trainer Workshop

The Baithak School Network successfully conducted a training program in collaboration with the Educational Research Institute (ERI) and sponsored by Alkhidmat. The program aimed at enhancing the skills of selected teachers from various cities across Pakistan, including Gwadar, Lahore, Islamabad, Peshawar, Noshahra, Hyderabad, and Karachi. The main objective of this workshop was to equip these trainers to effectively impart their knowledge to other teachers in their respective areas. During the program, participants received specialized training focusing on language development, teaching techniques in Mathematics, active Urdu language skills, and effective English teaching methods.

In February and March 2023, a leadership Camp aimed at fostering leadership skills was held in Islamabad, Punjab, and KPK. The participants included Cluster Coordinators, Principals, and few teachers from various schools.

In collaboration with The Ilm Foundation (TIF), a Teacher Training session was held in Karachi on Mutalae Qur'an-e-Hakeem, benefiting 112 teachers from 56 schools.

HOPE IN MOTION: ELEVATING GENEROSITY FOR EDUCATION

Generosity soared for education as Mr. Haroon Qasim hosted a meetup, uniting influential Business figures and Doctors. A captivating Documentary on the Baithak School Network was showcased, followed by Dr. Aman's presentation of the future strategy and plan. The audience's overwhelming response led to generous donations of Rs. 10.5 Million towards the cause. Additionally, MMI Medical Institute and LRBT pledged free medical consultations and eye screenings for Baithak students, further enhancing their educational journey. This collective support exemplifies our commitment to uplifting underprivileged children through education.

KINDLING HOPE: INAUGURATION OF TWO BAITHAK SCHOOLS IN RAWALPINDI SPARKS DREAMS !

A momentous occasion unfolded in Rawalpindi as two new Baithak Schools were officially inaugurated. The event brought together the visionary leadership of the President, the extraordinary potential of students, and the awe-inspiring generosity of donors. These schools will serve as beacons of opportunity for underserved children. The inaugural ceremony celebrated the transformative power of education, expressing heartfelt gratitude to those whose support made it possible.

REVAMPING SCHOOLS

New School, New Inspiration: spacious and Illuminated Campus improved the learning experience for children of Ibne Sina Campus! Thanks to BSF-DOW'85 Physicians for their remarkable efforts, the new campus promises to be a perfect place for students to achieve their full potential and instill the love for learning in them.

INAUGURATION OF INDUSTRIAL HOME AT BAITHAK SCHOOL SHANTI NAGAR

The Baithak School Network proudly inaugurated its 10th Industrial Home, with esteemed supporter Shagufta Yusuf, Maryam Pada, and members from Navy Housing Society leading the ceremony. Recognizing the importance of equipping children in underprivileged areas with quality education, the network goes beyond academics by empowering girls and their mothers with essential skills to navigate economic challenges faced during these difficult times.

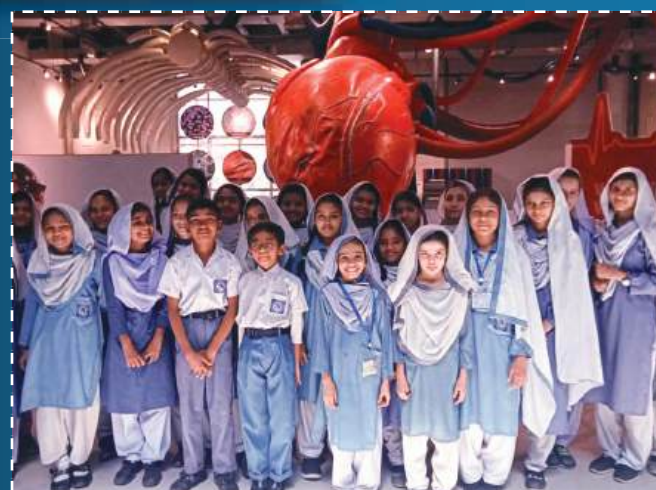

BAITHAK HIGHLIGHTS

YOUTH CONFERENCE

The Baithak School Network set up an introductory stall at the vibrant 2-day International Youth Conference held at Expo Centre, Karachi. International representatives visited Baithak's stall and conveyed their admiration for the organization's dedicated efforts in delivering high-quality education to underprivileged communities.

SCIENCE TRIP

Baithak's Karachi Central Cluster orchestrated an unforgettable Science trip for students to the captivating TDF Magnifi Science Centre, where young minds embarked on an exhilarating exploration of science, igniting their creativity along the way. This remarkable educational adventure was made possible through the generous support of our esteemed Donor, Mr. Nadeem Ahmed.

JACKET DISTRIBUTION

Dr. Aman, an esteemed member of the Baithak community has made a generous contribution by donating jackets to Baithak students in need of warm clothing, ensuring they can spend the winter season comfortably.

RATION DRIVE

In the spirit of Ramadan, the Baithak School community in Karachi and Lahore came together to distribute essential food items to the families of their students and teachers. The Ration Drive was led by the school's principal and local volunteers, with support from the generous members of the community.

BOOK DISTRIBUTIONS

The UCP English Department distributed books among the students of Baithak School Shadiwal in Lahore, aiming to encourage the habit of reading among them. The students were excited to dive into the new collection of books!

EID GIFTS

The Baithak School Network distributed gifts to its students and granted "Eidi" to both its teaching and non-teaching staff on the occasion of Eid ul Fitr. The aim of this gesture was to spread happiness and joy among them, fostering a sense of celebration and appreciation within the Baithak community.

TECHNOLOGY INTEGRATION

SEW has received generous donations for their technology initiative. HHRD, UCP, and Dany have donated 50 computers to support the implementation of software for monitoring student performance. This will improve data analysis, reduce costs, and increase accessibility for SEW and its donors.

VISIT TO GOVERNOR HOUSE

On the special invitation of the Governor of Sindh, the students of the Baithak School Network visited the Governor's House for Ifar and dinner. During the visit, the Baithak team had the opportunity to interact with representatives from various other organizations.

INDEPENDENT AUDITORS' REPORT

To the Managing Committee

Report on the Audit of the Financial Statements

Opinion

We have audited the annexed financial statements of Society for Education Welfare (the Society), which comprise the statement of financial position as at 30 June 2023, statement of income and expenditure, statement of cash flows and statement of changes in funds for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material aspects, the financial position of the Society as at 30 June 2023 and of its financial performance and its cash flows for the year ended in accordance with the approved accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Society in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Management Committee is responsible for the preparation and fair presentation of the financial statements in accordance with the approved accounting and reporting standards as applicable in Pakistan, and for such internal control as the Management Committee determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management Committee is responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Society or to cease operations, or has no realistic alternative but to do so.

Those charged with governance is responsible for overseeing the Society's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Society to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charge with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The engagement partner on the audit resulting in this independent auditor's report is Khurram Jameel

ALHAMD SHARIAH ADVISORY SERVICES

(PVT) LIMITED

July 01, 2023

SHARIAH APPROVAL FOR PAYING ZAKAT TO SOCIETY FOR EDUCATIONAL WELFARE (SEW)

INTRODUCTION:

Society for Educational Welfare (SEW) is providing primary education to the children living in deprived and less privileged vicinities of Pakistan. More than 18000 students are currently enrolled in 138 Baithak Schools, which are spread out across the country. These schools are not only giving education to students but providing job opportunities for locals so around 1000 individuals are doing job at these schools.

METHOD OF UTILIZATION OF ZAKAT AND DONATION:

The financial needs of SEW are being covered by general donations and Zakat that individuals and corporate contribute. After verification of Zakat eligibility, the specifically assigned official of SEW requests permission to collect Zakat on behalf of Zakat eligible students/guardians and to spend it directly on their educational expenses as per the conditions of Zakat form. According to these limits SEW uses Zakat funds very carefully.

SHARIAH RULING:

We confirm that Society for Educational Welfare has appointed Alhamd Shariah Advisory Services (Pvt.) Limited as Shariah Advisor to guide the management in collection and utilization of Zakat and to ensure that the whole process is Shariah-compliant, both in letter and in spirit.

Based on our review, we hereby confirm that SEW collects and spends Zakat Fund in accordance with instructions of Shariah. It is also confirmed that whosoever will give Zakat to Society for Educational Welfare; their Zakat will be paid as per Shariah point of view.

May Allah grant the management of Society for Educational Welfare best reward for their services and may give in their mission more blessings and sincerity. Aameen

For and on behalf of Alhamd Shariah Advisory Services (Pvt.) Ltd
